

Facebook Connection Guide

Pre-Requisites for Connecting Your Facebook Account to Promulgate

Please ensure the following pre-requisites are met:

1. Facebook Account

- You must have a Facebook account. If you do not have one, please create a Facebook account.

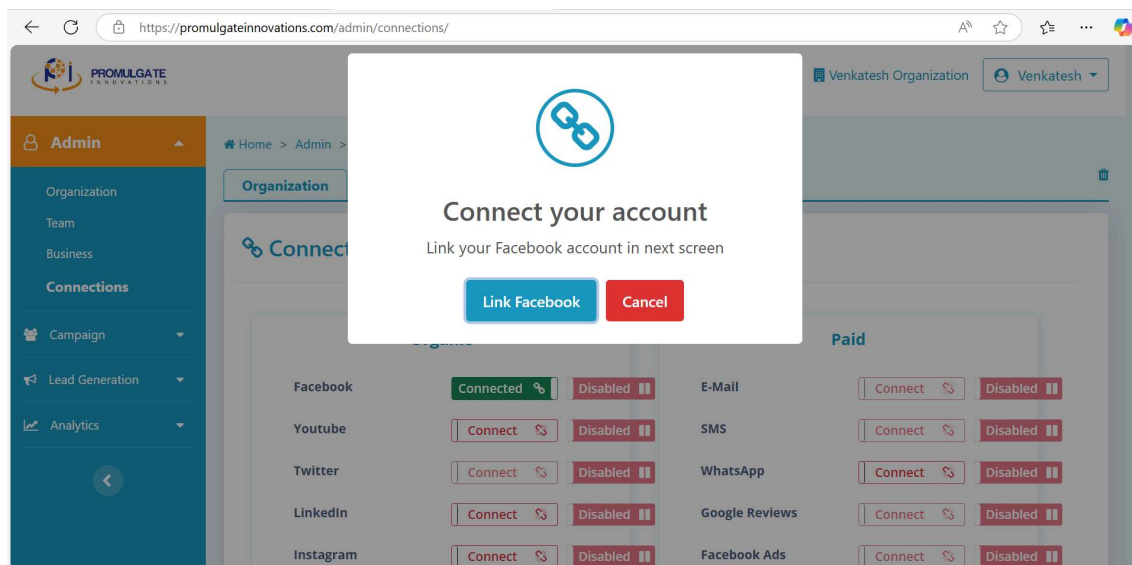

2. Pages on Facebook

- You must create at least one page on your Facebook account.
- If you already have a Facebook account, you can create a page by following these steps:
 1. Go to the Facebook Page creation (<https://www.facebook.com/pages/create>)
 2. Choose the type of page you want to create (e.g., Local Business, Brand, Community).
 3. Fill in the required details (business name, category, etc.).
 4. Follow the prompts to complete your page setup.
- You may create more than one business page if necessary, but at least one is required to proceed with connecting your Facebook account to Promulgate.

Step-by-Step Guide to Connecting Your Facebook Account to Promulgate

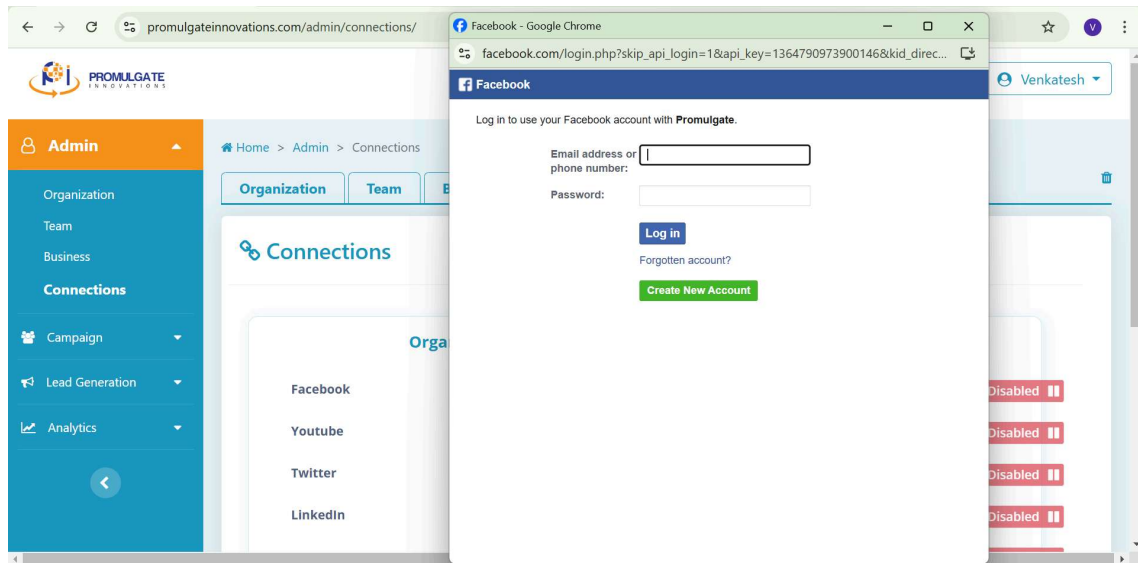

Step 1:

Click the Facebook **Connect** toggle button to display the popup.

Step 2:

Click the **Link Facebook** button to connect your Facebook account to this website. Once you click this button, you will be redirected to the Facebook login page.

Step 3:

Enter your Facebook Username and Password to login to your Facebook account.

Step 4:

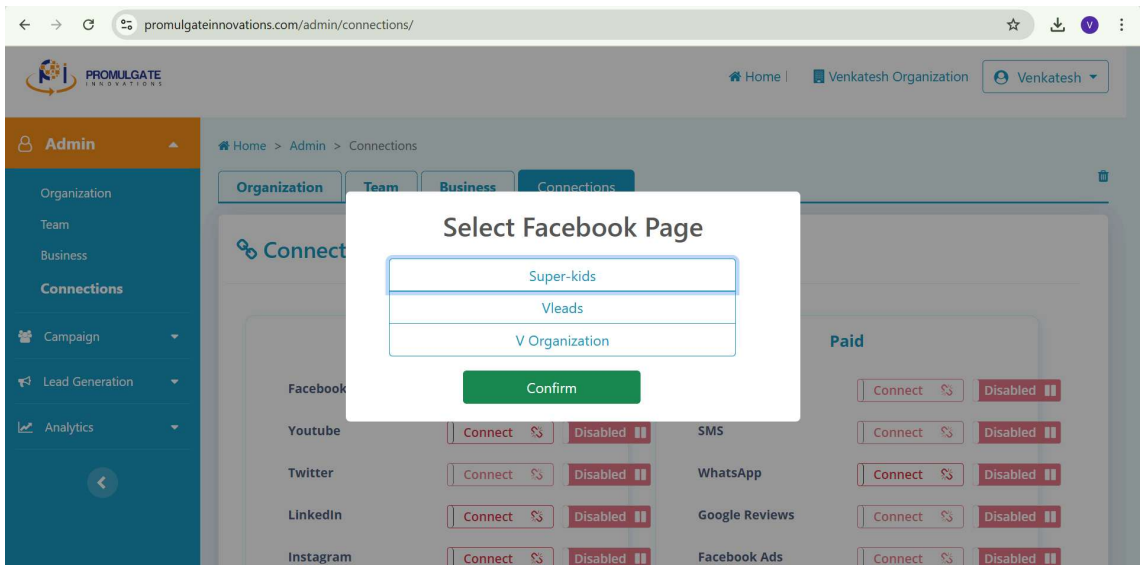

NOTE: After logging in, you will be prompted with the message:

You logged into Promulgate using Facebook. Would you like to continue?

- Click "Yes" to proceed with your Facebook account.
- Click "No" to log in with a different Facebook account.

Step 5:

Select the page you would like to connect and click the **Confirm** button for final confirmation.

Step 6:

After final confirmation, you will see your connected Facebook page under **Facebook**.
